**MEMORANDUM  
AND ORDER**

---

Unfortunately, I learned today that I must be hospitalized for inflammation in the upper lobes of both lungs that could be associated with one of the chemotherapy drugs I am currently receiving. At this time, the physicians are unable to determine the date of my release from the hospital. Therefore, and with my apologies to counsel, I must declare a mistrial of this case. Accordingly,

IT IS ORDERED:

1. The court declares a mistrial in the above-captioned case; and
2. The Clerk of Court shall immediately transmit a copy of this order to Chief Judge Smith Camp so she can reassign this case.

DATED this 16<sup>th</sup> day of June, 2014.

BY THE COURT:

*Richard G. Kopf*

Senior United States District Judge
